Re: Letter in Good Standing

To whom it may concern,
The Benevolent and Protective Order of Elks has twenty-two Lodges in the State of New Mexico. Each Lodge has received it's inspection from the Grand Lodge and is in compliance with all State and Grand Lodge rules and regulations.

I am requesting that your office issue to all Lodges in the State of New Mexico, along with their Liquor license, a Bingo/Raffle License and Gaming License when that Lodge has made a bona fide request for such a License.

The following New Mexico Lodges are awarded a "Letter in Good Standing."

Las Vegas #408, Silver City #413, Santa Fe #460, Albuquerque #461, Raton #865
Roswell #969, Las Cruces #1119, Tucumcari #1172, Clovis/Portales #1244,
Gallup #1440, Carlsbad #1558, Artesia #1717, Farmington #1747,
Lordsburg 1813, Alamogordo #1897, Grants/Milan #2053, Las Alamos #2083,
Ruidoso #2086, Belen #2499, Rio Rancho #2500, Deming #2750
and Clayton #2865

Thank you, for your help and consideration with this matter.

Sincerely,

Rick Callaway

Rick Callaway, New Mexico Elks Association President
