

**Lodge #969 Alert (#3)**

My Fellow Elks,

We have received another transmission from an unknown source. Unfortunately, we do not have any means of contacting the source responsible for these transmissions. We have conducted a thorough investigation and have decided to take these communications seriously. If in fact an item was left at the Roswell Lodge, we will return it and accept the reward. However, if someone else finds the lost item they may accept the reward. I wish to thank PER Harvey Hanson from the Alamogordo Lodge #1897 and PER Keith Morris from Las Vegas Lodge #408 for decoding the last message. We appreciate all your help in this matter and wish you luck in what we have decided to call the "Alien Relic Hunt Contest".

Thank You,

Joe Murphy

Greetings,

We are so excited to be attending the New Mexico Elks Convention. We will only be able to stay for one night because of our budget. I do have some sad news; our coach will not be attending. He sends his best wishes to the competing ritual teams. Our Lodge officers are very eager to see everyone. We hear there may be celebrities attending the convention. I met Elvis once a long time ago he was a very nice guy. I hope he will be one of the celebrities attending. We have not heard from you regarding our missing museum piece. Our founding father had a funeral and was quite the  
very nice guy. Please..... error699:
